

Children's Village is happy to announce a new option for our School-Age program:

CHILDREN'S VILLAGE  
sharing wonder every day

# School-Age Remote Learning Access Center

## Supervision and remote learning support for school-agers, 8:00 AM - 6:00 PM:

As schools adopt a remote digital learning plan this fall, Children's Village can meet your child care needs while offering support and supervision to elementary students.

Students bring a laptop, headphones, power cord, schedule, and log-in information from your child's elementary school teacher. Breakfast, lunch, and afternoon snack is provided daily. Extracurricular activities include physical activities, dance, music, arts and crafts, and games.

Children's Village follows the reopening guidelines of the Philadelphia Health Department and the CDC. Staff and children will wear masks.

Please reach out if this is an opportunity you would like to explore for your school-ager.

If interested please contact:
